Magnolia HS Regional Chess Tournament

Feb 4, 2023

12:00 PM

Magnolia High School Library

Welcome to the first ever Magnolia HS Regional Chess Tournament! This event aims to unite the community of chess enthusiasts in our area, and as a fundraiser with the goal of installing chess tables in the area. This will contain 2 separate competitions: Teams and Individual. You may only compete in one.

Organization/Format:

- **Format:** Both competitions will be 5 round swiss style, with a finals round if no clear winner is determined. Teams and Individuals will be matched against each other based on performance throughout the tournament, meaning higher scoring players/teams play each other (Specific team member matches will be determined this same way).
- **Time Setting:** G/25;d5 (25 minute with a 5 second delay)
- **Payment/Registration:** Use the QR code (as mentioned in the email, this will be added soon to this document and promotional material) to access the registration. You may pay online, or register online and bring EXACT cash. Rates will double if not registered by the tournament day.

Teams:

- \$25 entry fee (allocated however you see best fit).
- Teams will consist of 6 players, all representing a single school. (Multiple teams from a single school are allowed, as well as unassociated teams, but you must let us know)
- Team members may be decided however each school chooses to do so, but make sure campus coordinators decide teams before the competition day.
- Backups are encouraged, as even if they are not needed, they have the opportunity to compete as an individual the day of.

Individual:

- 5\$ entry fee (Those who need accommodations may receive it if asked)
- It is completely open, so anyone of any skill or age can compete.
- Registrations are highly encouraged, but if you or someone you invite is not signed up, they will still be able to register at the competition (For double the rate).

Fundraising:

- Any amount of donations is greatly appreciated, and goes a long way towards our cause.
- Concessions will be sold for food, drink, and snacks. Cash is encouraged.
- Please contact anybody you know who might be willing to help! Thanks!
